## 1 Bakground

### 1.1 Early Life

I am Faiza, born in Zhob, city in Balochistan, which is surrounded by mountains. People here live very simple life and deeply follow their traditions. One of our tradition is wearing traditional dress full of embroidery. Balolchistan is rich in minerals like Coal, Gas, and Copper. This region commonly known for the minerals enrich in ground.

### 1.2 Education

I completed my Matric and FSC from Balochistan. In 7<sup>th</sup> class I decided to study Computer Science as my major and at a well-known university . Now I am in my final year studying Computer Science at Peshawar University.

## 2 Interests and Hobbies

### 2.1 Indoor Hobbies

1. Engaging in department studies.
2. Reading newspaper.

### 2.2 Outdoor Hobbies

- Going for walk.
- Eating out with friends.
- Visiting the Central library.

### **3 Future Goals**

#### **3.1 Career Aspirants**

My career aspiration is to become an expert in the IT related areas. My future goal is to go abroad for MS degree. After MS, I plan to return to Balochistan to serve my community. I want to inspire people with my education and to share my knowledge with them to pursue degrees in IT fields

#### **3.2 Personal Development**

From a very young age, I have had a passion to pursuing a Computer Science degree because of the lack of Jobs opportunities, limited courses are available, and not enough teachers to guide aspiring students. In this AI era, many people lack basic knowledge about technology. I want to create an environment that promotes IT education and awareness.
